

E- content developed by faculty members of Institute of Home Economics

Details of E-Content	Subject/Course	Organization for which it was developed	Faculty
Media Content Production on Different Platforms	Radio Programme	SWAYAM	Dr Yuki Azaad Tomar
Content Distribution Strategies Across Digital Media	New Media	SWAYAM	Ms Bableen Kaur
Nutraceuticals and Functional Foods (fnhl_10120)	Food, Nutrition and Healthy Living	Central Institute of Educational Technology	Dr Bani Tamber Aeri
Common Health Problems (fnhl_10104)	Food, Nutrition and Healthy Living	Central Institute of Educational Technology	Dr Bani Tamber Aeri
Diet- Commercial Determinants of Cancer	Cancer Fundamentals	Cancer Society of India	Dr Bani Tamber Aeri
Principles of Microbial Nutrition and Growth	Microbiology	CSIR-NISCAIR	Dr Sunita Aggarwal
Bacterial Cell Organization	Microbiology	Virtual Learning Environment, Institute of Lifelong learning (ILL), University of Delhi (ill.du.ac.in)	Dr Sunita Aggarwal
Bacterial Cell Organization-Cell Envelope	Microbiology	Virtual Learning Environment, Institute of Lifelong learning (ILL), University of Delhi (ill.du.ac.in)	Dr Sunita Aggarwal
Archaeobacteria	Microbiology	Virtual Learning Environment Institute of Lifelong learning (ILL), University of Delhi (ill.du.ac.in)	Dr Sunita Aggarwal

Eubacteria: Gram Positive Bacteria	Microbiology	Virtual Learning Environment, Institute of Lifelong learning (ILLL), University of Delhi (ill.du.ac.in)	Dr Sunita Aggarwal
Enzymes	Biochemistry	Virtual Learning Environment, Institute of Lifelong learning (ILLL), University of Delhi (ill.du.ac.in)	Dr Meenakshi Vaccher
Proteins	Biochemistry	Virtual Learning Environment, Institute of Lifelong learning (ILLL), University of Delhi (ill.du.ac.in)	Dr Meenakshi Vaccher
Role of Plant Biotechnology in Environment	Biochemistry	Virtual Learning Environment, Institute of Lifelong learning (ILLL), University of Delhi (ill.du.ac.in)	Dr Meenakshi Vaccher
Role of Plant Biotechnology in Industry	Biochemistry	Virtual Learning Environment, Institute of Lifelong learning (ILLL), University of Delhi (ill.du.ac.in)	Dr Meenakshi Vaccher
Introduction to Amino Acids, Peptides and Proteins	Botany	Virtual Learning Environment, Institute of Lifelong learning (ILLL), University of Delhi (ill.du.ac.in)	Dr. Taruna Arora
Disaccharides and Polysaccharides	Botany	Virtual Learning Environment, Institute of Lifelong learning (ILLL), University of Delhi (ill.du.ac.in)	Dr Taruna Arora
Bioenergetics	Botany	Virtual Learning Environment, Institute of Lifelong learning (ILLL), University of Delhi (ill.du.ac.in)	Dr Taruna Arora
