

NOTICE

03.01.2022

The Ministry of Education (MoE) has announced a National Educational Alliance for Technology (NEAT) as a Public-Private partnership model between the Government (through its implementing agency AICTE) and the Education Technology companies of India. Through an open invitation and screening, companies are invited to showcase their products on a National Portal Developed for the learners, who may procure them based on their requirements.

NEAT aims to bring the best technological Products in education pedagogy on a single platform for the convenience of learners. Technology products using Artificial Intelligence for customized learning or e-content in niche areas having highly employable skills would be identified for showcasing on the portal.

The scheme also includes free coupons for existing higher education students from economically and socially disadvantaged students. The distribution of free seats would be carried out through the NEAT portal.

We are happy to inform you that free NEAT coupons are going to be distributed and launch of NEAT 3.0 BY THE Hon'ble Minister of Education, Sh. Dharmendra Pradhan is on -3 January 2022 at 12:30 pm. NEAT 3.0 will also contain the schools and other non-technical higher education courses based on AI.

In this regard, it is requested to participate in this massive even. The link for the same is as follows:
