# दिल्ली विश्वविद्यालय University of Delhi

## **PRESS RELEASE**

The University of Delhi is one of the largest public Universities and plays a critical role in the effective realization of teaching and learning experiences. This University facilitates communities to think holistically, care deeply, and engage courageously in imagining and creating a just society. In consonance with the above, the University stands committed to bridging differences and promoting inclusivity. For the realization of such noble ideas and broadening the ambit of equity, quality, and access particularly in the context of the innovative reforms ushered through the National Education Policy 2020, the University of Delhi is organising an Online Orientation cum Guidance Program for Common University Entrance Test CUET-2022 specially for SC/ST students under the aegis of Dean Students' Welfare (DSW) in collaboration with Institute of Lifelong Learning (ILL) from June 27 – July 8, 2022.

It is aimed to provide general and domain-specific academic guidance for the candidates, primarily belonging to SC/ST categories, who will be appearing in CUET-2022 for admission in the central universities.

The program would be conducted online through 11 sessions spread over 6 discrete days. The sessions include guidance on a general test, languages and 19 domain-specific subjects. The domain-specific subjects have been organised into 8 broad groups to facilitate 3 choices of the groups. Keeping in view of the limited seats, aspiring candidates are requested to register online (<https://shortest.link/CUET2022>). The first 100 registered candidates in each session will get an opportunity to interact with subject experts. For the benefit of the larger student community, the program will also be available live through YouTube Channels of DSW & ILL.

The program will help the candidates to make them familiar with the pattern of CUET, consequently promoting inclusivity.

*Yines Gupta*
