TO WHOMSOEVER IT MAY CONCERN

Azim Premji University was setup by the Azim Premji Foundation for an explicit social purpose; to contribute to a just, equitable, humane and sustainable society. We are working on a large translations initiative that aims to translate higher education material from English to other Indian languages. This we hope will significantly benefit a large number of students belonging to diverse socioeconomic backgrounds in India. We believe that availability of quality materials in Indian languages will support our students engage with the concepts and ideas. It would also build a desire to have a discourse in these Indian languages.

The translations are only for our educational purpose and not for any commercial use.

In light of the above, we wish to mention that **Dr. Nidhi Gulati** is actively engaged as an external Translator and Reviewer and Coordinated with the Translations Initiative team and IHE, Delhi.

Dear Ruchi,

Greetings from OELP !

Thanks for your email and confirmation of dates as follows:

Arrival on 11th November - evening

Visit OELP on 12th and 13th November

Departure :14th morning post breakfast.

As discussed we will charge Rs.700 per head for covering the costs of food accommodation, bedding and local travel to the schools. The students must be prepared for very simple food and basic facilities. Our idea is to give them a first hand exposure to rural life and build their sensitivity to the challenging contexts that the children come from.

A tentative visits plan is attached, along with the location of the two training centres. As discussed we will split the group into two of approximately 25 persons in each. The school visits will be planned in groups of 4-5 to a school.

I will be happy to share any further details that may be required

Thank you and regards

Arti
