Another lecture was delivered by Prof. Michael Sauer on 17th Sep 2022. He explained how microbes can help us to survive on the planet earth. He also shared his novel research on plastic degradation with the help of microorganism.

The slide features a photograph of a spoon filled with soil, a map of India, and the IMMB logo. The text on the slide reads: "The number of microorganisms in a teaspoon of soil (1 x 10⁹) is roughly the same as the number of humans currently living in India." The Zoom interface shows a top bar with participants: Dr. Arti Kumari, Michael Sauer, Kohinoor Kaur, and Ashima Vohra. A right-hand sidebar lists 133 participants, including 9 panelists and 124 attendees. The bottom status bar shows the time as 15:18 on 17-09-2022.

The Department of Microbiology, IHE (DU) organised a sustainability lecture series in association with Indian National Young Academy of Sciences and Microbiologists' Society, India (Delhi Unit) having its 1st lecture was delivered by Dr. Amit Chandra Kharkwal, Dy. Director and Associate Professor of Amity Institute of Microbial Technology on the topic "Plant Microbe/Microbe- Microbe Interaction for Sustainable Agriculture".

The screenshot shows a Zoom meeting in progress. The main content is a PowerPoint slide titled "Sustainable energy". The slide features the IIT (BHU) logo and text: "Presented by: Dr. Vishal Mishra", "School of Biochemical Engineering", "IIT (BHU) 221005", and "25/03/2023". The Zoom interface includes a top toolbar with options like "Share Screen", "Record", and "Reactions". On the right, a vertical list of participants is visible, including "sana", "Dr. Kalpana Nagpal", and "Dr. Subhash Babu (ARI)". The bottom status bar shows "Participants: 35", "Chat", and "Leave" button.

The 4th lecture (8th April 23) was conducted on “National Agricultural Higher Education Project: A Revolutionary Tool for Strengthening Agricultural Education in India by Dr. Sanjay Singh Rathore, Principal Scientist and National Coordinator, NAHEP, ICAR, New Delhi.

Microbiology department has also celebrated National Science Day on 28th Feb 2023 in offline mode. We have organized one lecture on the topic “Role of Bioinformatics to understand the genome Biology” by Dr. Sailesh Kumar, NIPGR, New Delhi.

One day symposium was organized in association with Vigyan Pratibha Initiative on 18th April 2023 at Oberoi Maidens Hotel, New Delhi. The event was graced by the presence of Prof A.M. Deshmukh (President, MBSI)

The lectures were followed by two inter-college competitions. A poster making competition on the topic "Emerging virus a threat to humans". The competition was held in pairs of two and 14 pairs from various colleges of microbiology participated in the competition.

Department of Home Science
(Department of Sciences)

A workshop on Organic Farming, Vegetative Propagation and Climate Smart Agriculture was conducted by Dr. Mamta Bhardwaj, Assistant Professor at Hindu Girls College in Sonipat, Haryana on 29th September, 2022 and on 8th February 2023.
