Summer Camp at AARAMBH

A three-week summer camp was organized for children in the age group of 3-12 years from 22nd May 2023 to 10th June 2023. The summer camp aimed at providing opportunities for holistic development for children. Storytelling sessions facilitated by Dr. Krishnaveni Achary provided opportunities for enhancing language skills and stimulating imagination. Sessions with Ms. Ruchi aimed at enhancing numeracy and mathematical skills in a creative and engaging way. Activities carried out by Dr. Sneha gave opportunities to children to freely express themselves through arts. Activities were also carried out to enhance familiarity with the natural environment through nature trails, potting the plants, and creating a miniature garden. Daily Yoga and Dance sessions aimed at helping children understand their own bodies, movement, and finding the rhythm.

Internship at AARAMBH

The centre provided internship opportunities to students pursuing M.A. Psychology, M.Sc. Counselling and Family therapy and Diploma in Early Childhood and care and education. Ms. Varsha and Ms. Yashmita completed their three-month internships at the centre which was a prerequisite for their MA coursework. Ms. Shruti Sharma pursuing M.Sc. Counselling and family therapy completed her one-month internship. As a part of ECCE Skill Enhancement course, Sem II students carried out observations, prepared activities, and volunteered in different workshops organized at the centre to understand the teaching-learning process and the overall functioning of an Ecce program. Overall, the centre has been able to provide ample learning opportunities for children and students (enrolled in the college and outside) as well as empower and support the staff and community while aligning itself with the regulations laid down by the government.
