

SOP of the NEP 2020 Implementation Committee

The purpose of the committee is to disseminate information related to NEP so that popular opinion can be shaped in line with the policy. The committee looks into the implementation of the recommendations of the NEP 2020 policy. The committee follows the guidelines that are provided by the University in relation to the curriculum revision, implementation and bringing in the courses through VAC/SEC/AEC/GE. The multidisciplinary vision of the NEP is paid attention to and courses are provided to give a holistic experience to students.

- Disseminate information related to the policy. Discuss and share important points of the policy.
- To have the components of NEP in the talks, conferences and workshops that are organized by the deptt.
- To work through the UGCF 2022 at the level of curriculum revisions and have different courses of study for the same.
- Disseminate different VAC/SEC/AEC/GE options that are shared by the university. In consultation with the nodal officers, TICs decide on the courses that should be offered to their deptt. students.
- For the selection of the VAC and SEC courses, the committee keeps the criteria of multidisciplinary in consideration so that students get experience from different disciplines. The nodal officers look into the concerns of students from different colleges also attend classes at pour college as part of the south cluster.
- For AEC, the languages are given by keeping the interest and the eligibility of students in mind. To provide complete exposure, we give our students cluster exposure also.
- GEs are decided by keeping the multidisciplinary and the workload distribution in mind.
- The nodal officers, TICs, and the faculty taking the courses provide field based experience to students, as these courses have an important practical component. Committee facilitates these experiential knowledges.
