NOTICE FOR EXPRESSION OF INTEREST
CUM REQUEST FOR PROPOSAL

“Inviting Expression of Interest (EOI) cum Request for Proposal (RFP) for Engagement of Central/State Government Organization, Central/State Public Sector Undertakings (PSUs), or Autonomous Bodies as Executing Agency for Project Management Consultancy (PMC) work at Institute of Home Economics, New Delhi”

The engagement shall be carried out in accordance with the norms prescribed by the Higher Education Financing Agency (HEFA) and any subsequent revisions, ensuring full compliance with the rules, regulations, norms and guidelines of GFR of GoI, CPWD, the University of Delhi, University Grants Commission, HEFA, and the Ministry of Education for the Institute of Home Economics, New Delhi.

Institute of Home Economics, a college of the University of Delhi situated at Hauz Khas Enclave, New Delhi offering both undergraduate and postgraduate courses. Founded in 1961, Institute of Home Economics has grown enormously to keep pace with the changing demands of higher education and is an inspiring example of courage and conviction. Institute has established itself as a leading center for women's education, research and extension. The college upholds the ideals of women's emancipation and empowerment. It provides the opportunity to the young women to study in a healthy stimulating environment and mold themselves into fine human beings who are equipped with the professional skills required in the work space

The salient features of the scope of work, eligibility criteria, and prescribed formats for submission are detailed in the EOI-cum-RFP document, which is available on the college website (<https://ihe.du.ac.in/>), University of Delhi website (<https://www.du.ac.in/>) and the CPP Portal (<https://eprocure.gov.in/eprocure/app>).

Interested bidders are requested to submit their proposals online through the CPPP Portal (<https://eprocure.gov.in/eprocure/app>) as per the schedule and timelines specified in the document.

Estimated Cost: Rs 50 cr

1	Technical Bid Stage-I - 100 Marks	
A	Technical Manpower	35 marks
	Presence of in-house professionally qualified staff in the Agency in indicative categories	
(i)	Civil Engineers	Max 20 marks
		(Min. Qualification - B. Tech in Civil Engineering with 5 years' experience) 301 and Above Engineers : 20 marks 201 to 300 Engineers: 12 marks 101 to 200 Engineers: 05 marks 100 and below 100 Engineers : Zero marks
(ii)	Mechanical and Electrical Engineers	Max 10 marks
		(Min. Qualification-B. Tech in Mechanical or Electrical with 5 years' experience) 101 and Above Engineers: 10 marks 51 to 100 Engineers: 06 marks

		20 to 50 Engineers: 03Marks Below 20 Engineers : Zero marks
(iii)	Architect	Max 05 marks
		Architects (Minimum Qualification: B.Arch and registered with the Council of Architecture with minimum 03 years' experience) More than 5 architects : 05 marks 03 to 05 Architects: 03 marks 01 to 02 Architects: 1 mark
B	Past Experience of the Agency	30 marks
(i)	Experience of similar works during last seven years for Projects successfully completed	Max. 20 marks (i) 20 Marks for experience more than twice the minimum eligibility criteria given (ii) 10 marks for minimum eligibility criteria.
(ii)	No. of years' experience as PMC	Max: 10 Marks 0.5 marks for every year subject to maximum 10 marks. (Only full financial years will be counted)
C	Financial Capability	35 marks
(i)	Average Annual Financial turnover of Rs.500 Cr. in last three financial Years ending on 31.03.2024.	Max. 20 marks

		<p>(i) 20 Marks for more than twice the minimum eligibility criteria</p> <p>(ii) 10 Marks for minimum eligibility criteria.</p>
(ii)	Average annual profit (EBITDA) in last three financial years	<p>Max. 10 marks</p> <p>Above Rs. 100 Cr: -10 marks</p> <p>Above Rs. 50 Cr and upto – Rs. 100 Cr.: - 06 marks</p> <p>Above Rs. 25 Cr. And upto Rs. 50 Cr.: - 03 marks</p> <p>Rs 25 Cr and below : Zero marks</p>
(iii)	Net worth as on 31st March of previous Financial Year ending 2023-24	<p>Max. 5 marks</p> <p>Above Rs. 1000 Cr: -5 marks</p> <p>Above Rs. 500 Cr. and upto Rs. 1000 Cr.: - 03 marks</p> <p>Above Rs. 100 Cr. and upto Rs. 500 Cr.: - 02 marks</p> <p>Rs 100 cr or below 100 cr : Zero marks</p>
		TOTAL 100 Marks
2	Technical Bid Stage-II -100 Marks	
	Methodology, Understanding of Project and Presentation on Concept Design	100 marks
	The date of the presentation will be announced on the college website (https://ihe.du.ac.in/) as well as on the University of Delhi website (https://www.du.ac.in/).	<p>Mark to be allotted by Client's evaluation committee/team on the basis of presentation made by the bidder on the following parameters:</p> <p>i. Understanding of the terms of Reference/Scope of work: 10 marks</p>

		<p>ii. Technical approach and methodology: 25 marks</p> <p>iii. Work plan including PERT/CPM chart: 25 marks</p> <p>iv. Steps to be taken for timely completion of the project, Plan B or alternate methods to complete the Project in any eventuality: 10 marks</p> <p>v. Experience of working in academic projects: 25 marks</p> <p>vi. Organization and staffing, including suitability of the Key personnel for the Project: 5 marks</p>
		Total- 100 Marks

Bidders securing **minimum 70% marks on average of Technical Bid Stage-I & Technical Bid Stage-II** shall be declared as Techno-Commercially Successful / Qualified Bidder(s). and shall be eligible for opening of Financial Bid.

3	FINANCIAL BID (WEIGHTAGE-30%)
	<p>The Financial Bid of only those Techno-commercially successful / qualified bidder(s) will be opened who qualify as per the above laid down evaluation criteria in Technical Bid.</p> <p>The Financial Bid will have 30% weightage in the overall evaluation.</p>
	FINANCIAL SCORE
	<p>Financial Score (S_f) of each bidder i.e. S_f will be given as follow $\therefore S_f = 100 \times F_m / F_o$ Where, F_m= Lowest Financial Bid, F_o= Financial Bids of the Bidders, S_f= Financial Score</p>
	<u>FINAL EVALUATION OF BID</u>
	<p><u>Bids will finally be ranked in accordance with their combined technical (Stage-I & II) and financial scores:</u></p> $S = (S_t + S_p)/2 * T_w + S_f * F_w$ <hr/> <p><u>Where,</u></p> <p><u>S= Combined Score</u> <u>S_t= Technical Bid (Stage-I) Score</u> <u>S_p= Technical Bid (Stage-II)-Presentation Score</u> <u>T_w = Weightage assigned to Technical Bid (Stage I & II) i.e. 70%</u> <u>S_f= Financial Score</u> <u>F_w = Weightage assigned to Financial Bid i.e. 30%</u></p>

	<p>On the basis of the combined weighted score for Technical Bid and Financial Bid, the qualified Bidder shall be ranked in terms of the total score obtained. The proposal obtaining the highest total combined score in evaluation of Technical Bid and Financial Bid will be ranked as H-1 followed by the proposals securing lesser marks as H-2, H-3 etc. The proposal securing the highest combined marks and ranked H-1 shall be recommended for award of contract.</p>
	<p>In case more than 1 (One) Bidder has identical highest marks in the overall evaluation then such bidders will be asked to submit a sealed revised financial offer in the form of a letter mentioning the revised bid percentage but the revised percentage of bid quoted should not be higher than the amount quoted at the time of submission of bid.</p> <p>The revised Highest Total combined score will be worked out on the basis of revised financial offers quoted by the Bidder. The H1 Bidder shall be recommended for award of contract.</p>

Applicants must read carefully the minimum conditions of eligibility (the “Conditions of Eligibility”) provided herein. Proposals of only those Applicants who satisfy the Conditions of Eligibility will be considered for evaluation as elaborated herein.

To ensure due performance of the contract, Performance security is to be obtained from the successful bidder awarded the contract for an amount of 5% of the value of the contract . Performance security may be furnished in the form of fixed deposit receipt from a commercial bank, bank guarantee from a commercial bank or online payment .

Performance Security will remain valid for a period of sixty days beyond the date of completion of all contractual obligations of the bidder including warranty obligations.

1 Role of Executing Agency (EA): -

The Executing Agency is required to provide services in respect of the following, as assigned by the College.

A. Concept and Planning

- 1.1 Take instructions from the College's representative and prepare the design.
- 1.2 Site Survey, Soil Investigation, Site evaluation, structural analysis and impact of existing and/or proposed development on its immediate environment.
- 1.3 Developing Concept drawing and obtaining approvals from statutory authorities wherever required.
- 1.4 Detailed engineering and design including finalizing the specification of all components of system.
- 1.5 Preparing Bill of quantities and bid document for tendering purpose for the work.
- 1.6 Floating of Tender and award of work
- 1.7 Execution of the work as per contract and commissioning.
- 1.8 Regular supervision and evaluation of works including Quality Control measures at all stages up to commissioning and validation and certification.
- 1.9 Any other related service.

2 Role of IHE, New Delhi: -

- 2.1 Nomination of a coordinator at IHE, New Delhi who shall liaise with the Executing Agency during execution of work.
- 2.2 Furnish the Executing Agency with necessary data, specification and other necessary documents related to the tasks to be carried out by Executing Agency

- 2.3 Release of funds to Executing Agency.
- 2.4 Giving Administrative approval & Expenditure sanction to Executing Agency for the work.
- 2.5 Taking over the project after successful completion.

SCHEDULE OF SERVICES

The Executing Agency shall, after taking instruction from the College, render the following services.

A. PLANNING STAGE:

- 1.1 Indicate all existing features falling on the proposed site and the proposal's connectivity with existing building, structures and services, including proposal for demolition, reconstruction, re- routing, etc. as the case may be.
- 1.2 Prepare a proposed construction plan to be used in the bid document and obtaining statutory approvals.
- 1.3 Modify the conceptual designs incorporating required changes and prepare the Tender drawings, sketches, study model, schematic drawings for engineering services, etc.

B. TENDER DOCUMENT'S STAGE:

- 1.1 Prepare drawings, specifications and estimate of cost and tender documents including aspects like mode of measurement, method of payments, quality control procedures on materials & works and other conditions of contract.
- 1.2 Prepare an estimate of cost on approved schedule of rates or as prescribed by the College including rate analysis for all the items not included in schedule to work out the estimated cost put to the tender.
- 1.3 Prepare Draft Bid document along with concept, technical specifications, user's requirements and design parameters, etc. for inviting offers from specialized contractors/vendors.
- 1.4 Bid Management System including invitation of bids, receipt, scrutiny, processing and evaluation of bids as per CPWD guidelines and award of work.
- 1.5 One Site supervisor to be available for full time of contract and execution of project as per Contract.

C. COMPLETION STAGE:

Prepare and submit completion reports after due checking of the work, completion drawings for the projects and ensuring all certification/validation has been obtained including those from statutory authorities; wherever required.

D. EXECUTION OF THE ASSIGNMENT:

- 1.1 The Executing Agency shall keep the College informed about the progress of work assigned to him from time to time.
- 1.2 The Executing Agency shall appoint, if required, specialized consultants at his own cost.
- 1.3 The Executing Agency firm shall inform the Institute on the Time Schedule prepared by the contractor for the completion of work.
- 1.4 The Executing Agency shall not make any deviations, alterations or omissions from the approved drawings, involving financial and non-financial implications without the prior approval of the competent authorities of the College.

SCOPE OF WORK ALSO INCLUDES FOLLOWINGS:

1. Survey of Area and Preparation of Layout Plan

The consultancy shall conduct a detailed topographical and geotechnical survey of the project site. Based on this, they shall prepare the master layout plan considering site constraints, orientation, accessibility, zoning regulations, and integration of various functional components.

2. Architectural Design and Structural Design

Comprehensive architectural design services shall include spatial planning, floor plans, sections, elevations, and structural design in accordance with relevant codes (Indian Standard codes, National Building Codes etc.). The consultant shall provide safe, economical, and sustainable structural solutions using RCC/steel/composite structures as required.

3. Electrical Services Design

The consultant shall provide complete electrical design including internal and external electrification, lighting design, load estimation, transformer sizing, substation layout, earthing, lightning protection, and energy-efficient systems with adherence to statutory requirements.

4. Plumbing Services, Including Water Supply and Drainage

Detailed plumbing design shall include internal water supply, sewage collection, stormwater drainage, rainwater harvesting systems, water treatment plants, and external utility connections with compliance to CPHEEO norms and local regulations.

5. Firefighting Services

Preparation of fire safety plans as per the National Building Code, including fire alarm systems, sprinkler systems, hydrant systems, and emergency exit planning. Approval and clearance from the Chief Fire Officer (CFO) shall be ensured by the consultant.

6. I.T. (Low Voltage Systems)

Design and integration of low voltage systems including LAN, Wi-Fi, PA system, access control, CCTV surveillance, BMS (Building Management Systems), digital signage, and other smart building technologies etc.

7. HVAC (Air Conditioning)

Design and planning of HVAC systems including heating, ventilation, and air conditioning suited for different building zones. Energy-efficient solutions such as VRV/VRF systems, chilled water systems, or split units shall be proposed depending on the functional requirements.

8. Electrical Services Design

The consultant shall provide complete electrical design including internal and external electrification, lighting design, load estimation, transformer sizing, substation layout, earthing, lightning protection, and energy-efficient systems with adherence to statutory requirements.

09. Plumbing Services, Including Water Supply and Drainage

Detailed plumbing design shall include internal water supply, sewage collection, stormwater drainage, rainwater harvesting systems, water treatment plants, and external utility connections with compliance to CPHEEO norms and local regulations.

10. Solar Power System and Renewable Energy Integration

Design and integration of solar photovoltaic panels and other renewable energy systems to ensure sustainability, energy efficiency, and reduced carbon footprint in the project.

11. Waste Water Harvesting

Planning and designing of wastewater harvesting and recycling systems for flushing, gardening, and reuse applications in compliance with environmental norms and sustainability practices.

12. Preparation and Obtaining Necessary Statutory Sanctions

The consultancy shall be responsible for preparing all documentation, drawings, and applications, and for obtaining statutory approvals from various authorities including:

Archeological Survey of India (ASI)

Municipal Corporation of Delhi (MCD)

Delhi Development Authority (DDA)

Delhi Urban Art Commission (DUAC)

Chief Fire Officer (CFO)

Airport Authority of India (AAI)

Forest Department

Delhi Metro

Any other applicable authority

13. Preparation of Conceptual Elevation Designs

Develop innovative and aesthetically appealing elevation designs reflecting the architectural theme and character of the project. Elevation views must be realistic and compatible with the surrounding environment.

14. Preparation of Detailed Estimates, BOQs, and Tender Documents

The consultant shall prepare detailed quantity estimates, cost analysis, and Bills of Quantities (BOQs) as per CPWD/DSR standards. Tender documents including technical specifications, terms, and conditions for each work package shall be prepared.

15. 3D Views of All Proposed Buildings

High-resolution, realistic 3D rendered views (day & night) of all proposed buildings from various angles shall be provided to visualize the complete design intent and aesthetic appeal.

16. Architectural Model of All Proposed Buildings

Physical or digital (3D printed or interactive virtual) models of all buildings in the project showing the layout, elevation, open spaces, landscaping, and surrounding infrastructure to be submitted for presentation and approval purposes.

16. Furniture Layouts for All Proposed Buildings

Detailed furniture layouts showing functional arrangements for offices,, institutional spaces, etc., including furniture types, circulation spaces, and ergonomic considerations.

17. Interior Design, Wherever Applicable

Comprehensive interior design for areas like reception, lobbies, conference rooms, VIP cabins, etc., including material selection, lighting schemes, color palettes, and theme-based decor to enhance user experience.

INTEGRITY PACT:

The Pact essentially envisages an agreement between the prospective vendors /bidders and the buyer, committing the officials of both sides, not to resort to any corrupt practices in any aspect/stage of the contract. Only those vendors/bidders who commit themselves to such a Pact with the buyer, would be considered competent to participate in the bidding process. In other words, entering into this Pact would be a preliminary qualification. The essential ingredients of the Pact include:

- A. Promise on the part of the Institute not to seek or accept any benefit which is not legally available;
- B. Institute to treat all bidders with equity and reason;
- C. Promise on the part of bidders not to offer any benefit to the employees of the Institute not available legally;
- D. Bidders not to enter into any undisclosed agreement or understanding with other bidders with respect to prices, specifications, certificates, subsidiary contracts, etc.
- E. Bidders not to pass any information provided by the Institute as part of business relationship to others and not to commit any offence under IPC Act and Bharatiya Nyay Sanhita (BNS).
- F. Foreign bidders to disclose the name and address of agents and representatives in India and Indian Bidders to disclose their foreign principals or associates;
- G. Bidders to disclose the payments to be made by them to agents' brokers or any other intermediary;
- H. Bidders to disclose any transactions with any other company that may impinge on the anti corruption principle.
- I. Any violation of Integrity Pact would entail disqualification of the bidders and exclusion from future business dealings', as per the prevailing provisions of GFR, IPC Act, Bharatiya Nyay Sanhita (BNS), and other Financial Rules and non-financial Guidelines, etc.

Penalty:

The work schedule should be made in discussion with the institute and details should be shared along with the progress of the work. If the PMC does not complete the assigned services within the specified time, the Institute of Home Economics, New Delhi will deduct 0.5% of the total service charge for each week of delay. This deduction can go up to a maximum of 5% of the total service charge.

Preliminary Visit:

As part of our commitment to thoroughly understanding the scope and requirements of the assignment, a preliminary visit to the project site must be undertaken prior to submitting the bid for Expression of Interest (EOI) for Project Management Consultancy. This visit should enable to assess the existing infrastructure, interact with relevant stakeholders, and gather essential on-ground insights. The date and time for the site visit

will be intimated on the college website.

Dispute Resolution:

As per GFR Rule 227 Legal Advice. Wherever disputes arise during implementation of a contract, legal advice should be sought before initiating action to refer the dispute to conciliation and/or arbitration as provided in the contract or to file a suit where the contract does not include an arbitration clause. The draft of the plaint for arbitration should be vetted by obtaining legal and financial advice. Documents to be filed in the matter of resolution of dispute, if any, should be carefully scrutinized before filing to safeguard Institute interest.

Arbitration: -

Any dispute arising out of or relating to this Agreement, including the breach, termination, or validity thereof, shall be settled through arbitration in accordance with the provisions of the Arbitration and Conciliation Act, 1996, as amended from time to time. The arbitration shall be conducted by a sole arbitrator mutually appointed by the Parties. In the event the Parties are unable to agree on a sole arbitrator within 30 (thirty) days of the notice of dispute, the arbitrator shall be appointed in accordance with the said Act.

The decision of the arbitrator shall be final and binding on the Parties. Each Party shall bear its own costs, and the costs of arbitration shall be shared equally unless otherwise awarded by the arbitrator. The place of arbitration as well as the jurisdiction of Court shall be at Delhi.

Office: -

The Consultant shall maintain a permanent and fully functional office in Delhi with adequate staff, infrastructure, and communication facilities. - Comprehensive project file including all drawings, reports, and compliance documents.

Payment:

10% of the total PMC after Final Documentation & Project Handover
 10% after existing of defect liability period

B. Additional Clauses

1. Termination Clause:

If the loan is not sanctioned by HEFA and the project is terminated at the planning stage, the PMC shall be entitled to a maximum payment of ₹10,00,000 or 05% of the PMC fee, whichever is lower.

2. Performance Clause:

Payments for each stage shall be subject to the satisfactory completion of deliverables, as verified by the competent authority.

3. Taxes:

All payments shall be subject to applicable taxes as per prevailing government regulations.

4. Amendment of Payment Schedule:

The payment schedule outlined herein is subject to modification post-award of the contract to PMC, at the sole discretion of the competent authority. This flexibility is necessitated by the dependency of various stages of the project on the successful sanction of the loan by the funding agency. Accordingly, the competent authority reserves the right to revise, amend, or restructure the payment milestones in accordance with project exigencies and financial approvals.

Security/Retention Money:

The PMC shall ensure the deduction of an amount equivalent to 5% of the value of each running bill as Security Deposit or Retention Money, in addition to the Initial Performance Security, as per applicable rules. This amount shall be transferred to the Institute of Home Economics. Subject to the fulfillment of all contractual obligations, Security/Retention Money—without interest—shall be refunded to the contractor upon completion of the defect liability period of one year after complete handover of the building/work.

Note:

This document is intended to serve as a Request for Proposal (RFP) and outlines the general terms, conditions, and requirements applicable to the scope of work detailed herein. However, it is important to note that all aspects may not be exhaustively covered within the provisions of this RFP. In the event of any ambiguity, omission, or need for further clarification regarding any matter not specifically addressed or detailed in this document, the final interpretation, decision, and authority shall rest solely with the Competent Authority of the Institution.

Financial Bid
