Invitation to Join the IHE Alumni Association – Let the Bond Grow Stronger

Dear IHE Alumna/Alumnus,

Warm greetings from the Institute of Home Economics!

No matter where life has taken you, you remain an inseparable part of IHE's story. The corridors you walked, the friendships you built, the mentors who guided you, and the dreams you carried from this campus continue to bind us together in a shared legacy that time cannot fade.

As an institution that values its people and its roots, we are delighted to invite you to formally join the IHE Alumni Association—a special space created for our IHE family to reconnect, collaborate, celebrate achievements, and give back to the alma mater that shaped who we are today. This association is not just a directory, it is a community of IHE changemakers, committed to shaping the next decade of growth, innovation, and purpose-driven leadership.

As a member, you will be able to:

- Reconnect through exclusive alumni meets and professional forums
- Mentor and guide current students who look up to your journey
- Participate in volunteering and leadership opportunities
- Stay updated on IHE's milestones, achievements, and new initiatives
- Engage with a vibrant network of IHE graduates across industries and countries

Our Vision:

At IHE, we believe the future belongs to those who combine compassion with innovation and experience with purpose. Through the IHE Alumni Association, we aim to build a living ecosystem of support, collaboration, and inspiration—where ideas grow, partnerships spark, and our shared leadership strengthens not only the institution but society at large.

Your presence and participation will make this vision stronger, richer, and truly reflective of the spirit of IHE.

To join the IHE Alumni Association, please fill out the form here:
<https://forms.gle/D4eVB9E9y1FJrVp2A>

We warmly invite you to reconnect—with your college, your peers, and with a future we can shape together.
